MEMBER/EXHIBITOR SALES AND EXHIBIT INFORMATION

2010 MOS SHOW & SALE

Dear MOS Members and Fellow Orchidists,

Thanks to your help, our 2009 Show was a great success. We hope that our 2010 Show will be even bigger and better. Therefore, it is with great pleasure and anticipation that we send you the enclosed information and extend to you an invitation to participate and exhibit in:

THE MARYLAND ORCHID SOCIETY'S 2010 SPRING SHOW AND SALE **March 12-14, 2010, "Orchids, A Feast for the Senses"**

Please note the following times and dates:

- Staging set up: **Tuesday, March 9, 2010, begins 9 a.m.**
- Exhibits set-up: **Wednesday, March 10, 2010, 10 a.m. to 6 p.m.**
(All plants and or artwork **must be registered by 7 pm** to assure consideration for judging.)
- Ribbon and AOS Judging: **Thursday, March 11, 2010, begins 9 a.m.**
- Preview Party & Sales: **Thursday, March 11, 2010, begins 7 p.m.**
- Open to the Public: **Friday, March 12, 2010, opens 10 a.m. to 9 p.m.**
Saturday, March 13, 2010, opens 10 a.m. to 9 p.m.
Sunday, March 14, 2010, opens 10 a.m. to 6 p.m.,

There will be a Social gathering (*our annual Exhibit Preview Party followed by open sales area*) for Show participants and Society Members, at the Fairgrounds, at 7:00 p.m., on Thursday, March 11, 2010. Invitation, menu and cost will follow.

The Show Committee constantly strives to improve the Show and Sale experience for everyone involved. With that in mind, MOS will continue to use a plant registration system at this year's Show. This will improve the judging of plants and exhibits in the Show. All exhibitors, commercial and hobbyist alike, will be required to register all plants being used in their respective exhibits and or each piece of art hanging in the art show. At this time, we anticipate that Microsoft Excel will be the user front-end for this process.

Please read the rules and regulations carefully. Give special attention to the deadline for reserving exhibit space. **Please keep in mind that all plants and artwork, entered in any Class must be registered by the exhibitor into the MOS Registration System.** Exhibitors in Division I, Exhibits and Division IV, Art, must submit an Exhibitor Reservation Form form by **Monday, February 22, 2010.** Exhibitor Reservation Forms are not required for Division III, Grower's Choice, however plants must still be entered in the MOS Registration System.

Each exhibitor or representative must be present at 6 p.m., Sunday, March 14, 2010 to dismantle and remove his/her exhibit.

Label card stock will be provided; exhibitors must make their own plant labels and supply their own label wire, display lighting, and extension cords.

MARYLAND ORCHID SOCIETY

DIRECTIONS, RULES AND REGULATIONS

DIRECTIONS

The Maryland Orchid Society's 2009 Annual Show will be held as part of the 2009 Maryland Home and Garden Show at the Maryland State Fairgrounds in Timonium, Maryland.

Directions: From the Baltimore Beltway (I-695), take I-83 north. Exit at Timonium Road EAST. Turn left on York Road. Turn left into the Fairgrounds at the North entrance. The 4H Building (*Horticulture Hall*) is the first building on the right.

RULES AND REGULATIONS

1. There is an admission charge to the Maryland Home and Garden Show, however, vendors and volunteers working for MOS at the Show will be admitted without charge.
2. The Show is sanctioned by the American Orchid Society and will be judged by its rules and judges.
3. Ribbons will be awarded for 1st, 2nd, 3rd places, and honorable mention in all classes, subject to the discretion of the judges. Special Awards may be awarded to exhibits and plants in any class meriting such recognition, as determined by the judges. The American Orchid Society (AOS) Show Trophy, the Orchid Digest Corporation (ODC) Award, the Slipper Orchid Alliance (SOA) Award and the International Phalaenopsis Alliance (IPA) Award may be awarded at the discretion of the judges.
4. While reasonable security precautions will be taken, MOS is NOT responsible for damage or loss of plants and or artwork, blooms or other exhibitor personal property.
5. Exhibits must be set up between 10 a.m. and 6 p.m. on Wednesday, March 10, 2010. All plants and or artwork must be registered by 7 pm, March 10 in order to assure they be considered for judging. With prior arrangements with Bill Scharf or Ann Lundy, staging materials may be brought in on Tuesday, March 9, 2010.
6. Exhibitors must provide for installation and removal of their exhibits. Exhibitors are responsible for supplying their own lights and extension cords. Each exhibitor (*or a representative*) must be present at 6 p.m., Sunday, March 14, 2010, to dismantle and remove his/her exhibit promptly. No exhibit may be dismantled before the close of the Show at 6 p.m., Sunday, March 14, 2010.
7. All sales from vendor sales tables and exhibits are to be processed through the MOS Sales System. Sales from exhibits are permitted during the Show. Plants should be marked as sold but MOS requests that the plant(s) remain in the exhibit until closing on the last day of the Show.
8. The Show Committee will assign to each exhibitor a display space. No changes will be made once a space has been assigned without permission of the Show Chair.
9. Nothing may be hung from, stapled or taped to the walls, curtains or other property of the Fairgrounds.
10. Exhibited plants must be clean, well groomed, and free of insects and diseases. The Show Committee reserves the right to reject any plant in violation of this rule.
11. The Show Committee may deny entry of inferior exhibits or any part thereof. Any exhibit improperly classified may be disqualified. Exhibit space size will be set by the Show Chair.

MARYLAND ORCHID SOCIETY

RULES AND REGULATIONS CONT'D

12. Entries received after the deadline may be exhibited only at the discretion of the Show Chair.
13. MOS will supply a name card for each exhibit. No other signs will be permitted until after judging.
14. Exhibitors should label each plant entered in any Class by name and/or cross. MOS will furnish black label cards. Lettering should be done using a waterproof pen. It is recommended that plant label cards be sprayed after lettering with clear plastic or lacquer to prevent water damage. **Do not spray cards in the building.**
15. RED stickers will be provided for plants "Out of Class," e.g., a Commercial Grower's plant in a Hobbyist Grower's or Society's exhibit or a Hobbyist Grower's plant in a Commercial Grower's exhibit. The sticker is to be attached to the front of the plant label card.
16. The use of artificial moss, grass or other plant material (*flowers or foliage*), chemically prepared leaves, dyed flowers, and similar accessories is prohibited.
17. Exhibitors in the Art portion of the Show must be an MOS member or a member of a participating Orchid Society.
18. Sheet moss and electric access will be provided by MOS only if requested on the entry form. Exhibitors must provide their own extension cords, lights and all other supplies.
19. A Commercial Grower is defined as an individual or entity that sells more than 100 orchid plants, flasks or community pots, or combinations thereof, per year. The final determination is the responsibility of the Vendor Relations and Show Chair.
20. Miniature orchids are defined as plants having mature growths of six inches (*the length of a dollar bill*) or less in height or length, not including the inflorescence.
21. All plants exhibited in the Grower's Choice classes must be owned by the exhibitor for a minimum of 6 months prior to the Show.
22. There will be a Member Plant Sales Table. Plants must be free of insects and diseases. All plants must have a price sticker with the seller's initials. **Be sure to alert the sales team of your initials.** MOS members who are not Commercial Growers may sell up to a total of 20 plants/flasks/compots, etc. for the duration of the Show. At the discretion of the Vendor Relations and Show Chair, MOS members may be allowed to sell extra plants based on their work toward the success of the Show and overall contribution to MOS.
